

# Application for Membership

## Central Virginia Electric Cooperative

The undersigned (*the Applicant*) hereby applies for membership in Central Virginia Electric Cooperative, a corporation (*the Cooperative*) and once accepted, the Applicant and the Cooperative agree as follows:

1. The applicant is a member-owner of Central Virginia Electric Cooperative and has all the rights and responsibilities incumbent to that membership in the nonprofit Cooperative, including voting rights for members of the Cooperative's Board of Directors and the return of accrued Patronage Capital.
2. The Cooperative agrees to provide electric distribution service to the Applicant, provided the Applicant's premises are in compliance with the National Electrical Code and the National Electrical Safety Code. All equipment and facilities installed by the Cooperative, related to providing electric service to the premises shall be the property of the Cooperative, including any equipment and facilities for which member makes a contribution in aid of construction. The Cooperative will endeavor to maintain continuous service, however, in the event of a power failure the Cooperative shall not be responsible for damages or losses resulting therefrom. The Applicant will comply and be bound by the provisions of the Cooperative's Certificate of Incorporation, Bylaws, Terms and Conditions for Electric Distribution Service, Rate Tariffs, Existing Policies and Practices of the Cooperative, as the same now exist or may hereafter be adopted, repealed, amended or supplemented, including the provisions for late fees, and service shall be disconnected if bills are not paid within the prescribed time period.
3. When the Cooperative makes electric service available, the Applicant, his or her heirs, executors, assigns and successors, agree to purchase from the Cooperative, and pay as billed for all services provided to the applicant.
4. The Applicant hereby grants the Cooperative the right to enter onto property owned or leased by the Applicant in order to maintain the electric system.
5. The Applicant grants to the Cooperative and at its request will execute any documents necessary to convey the right-of-way and easement to construct, operate, repair and maintain on the applicant's property, its electric lines and equipment. The Cooperative shall have the right to keep the right-of-way clear of buildings, structures or other obstructions, to cut, trim or otherwise control trees and shrubbery in order to keep them sufficiently clear of the facilities of the Cooperative or those, which in falling, might endanger the operation of the Cooperative's facilities.

This agreement applies to this electric service and all future services connected by the Cooperative for the applicant. The acceptance of this application shall constitute an agreement for service between the Applicant and the Cooperative.
