**TERMS AND CONDITIONS**

The complete installation is to be furnished, maintained and operated by the Cooperative and will remain the property of the Cooperative. An installation charge equal to the Cooperative's estimated actual cost will be made if underground service, wood poles, or overhead lines are required for installation of the fixtures. The customer shall be responsible for providing the ditching, foundations and anchor bolts. The location of all installations shall be agreeable to the Cooperative.

Normal maintenance and repair will be performed by the Cooperative without additional charge, except that any damage to lamps and luminaire resulting from vandalism shall be charged to the consumer at cost as a separate item on the monthly bill.

Consumers should report outages or other problems promptly. Fixtures will be serviced only during regular working hours of the Cooperative.

**TYPE OF FIXTURES**

The type, style and manufacturer of the fixtures and the method of installation shall be in accordance with Cooperative standards.

**TERM OF CONTRACT**

The term of contract for service under this Schedule shall be such as may be mutually agreed upon, but not less than one year and to continue thereafter until terminated by a thirty (30) day written notice by either party. If consumer discontinues service within the contract period the balance is due and payable for the remainder of the contract period unless transferred to another party when discontinued.
